

# RAMGANESH R

Full Stack Developer | AI & ML  
Enthusiast

## Contact

### Phone

+91 93603 62854

### Email

ramganeshr.r.ciet@gmail.com

### Address

Thoothukudi, Tamil Nadu

### LinkedIn

<https://www.linkedin.com/in/ramganeshr/>

## Education

### B.E. Computer Science and Engineering (AI & ML)

Coimbatore Institute of Engineering and Technology  
2024 – Present

## Technical Skills

- Frontend: HTML, CSS, JavaScript, Bootstrap
- Backend: Django, Python, Java, C
- AI & ML: Python Libraries (NumPy, Pandas, scikit-learn)
- Embedded Systems: Embedded C
- Tools: Git, VS Code, MySQL

## Soft Skills

- Leadership
- Problem Solving
- Innovation
- Teamwork
- Communication

## Professional Experience

### Smart Prosthetic Arm

- Built a prosthetic arm using embedded sensors and microcontrollers to help people with limb disabilities.

### eCommerce Web Platform

- Developed a responsive eCommerce system with user login, product control, and payment gateway integration.

### Online Compiler Platform

- Built a compiler supporting Python, C, C++, and Java using Django and Monaco Editor.
